(*Name of District Here)* **DISTRICT NYI**
SAMPLE *Supervision Guidelines*

1. All adults seeking supervisory responsibilities over youth with the *(name of district here)* District Church of the Nazarene must:

    - Be a faithful attendee in good standing with a local Nazarene Church.
    - Be willing to accept responsibility for the youth in their care as to their protection and welfare.
    - At all times remember that they are a model for their youth and strive to conduct themselves appropriately.
    - Have a signed and dated copy of this guideline on file in the district office.

2. Supervisors are responsible to see that a parent consent/permission form has been completed for the activity and must know the location of and have access to the said form in case of an emergency.

3. Supervision should be done on a 1:10 adult to youth ratio. Each event must have at least 2 adults present.

4. Adult supervision must be provided for all areas where youth are expected to be. Adults need to be where youth can reach them at all time in case of an emergency.

5. During activities that require transportation, vehicles must not be overloaded; all those riding the vehicle must wear seat belts (when available); and aisles and emergency exits must be kept clear at all times. Teenagers are not allowed to drive under any circumstances.

6. During overnight functions: Boys and girls are not allowed in each other's rooms or tents without an adult present; boys and girls are not permitted to sleep outside in a mixed group.

7. Adults in supervisory positions are responsible for their teens, and are liable in cases of negligence.
